

COVID-19 REOPENING MEASURES

The Adventuredome is committed to making our park clean, safe and fun for our employees and guests! We will be adhering to the health and safety requirements set forth by the state and local authorities. Attraction capacity will be reduced on all rides and attractions to allow for appropriate physical distancing. All employees will be required to wear face masks. Touchless hand sanitizer will continue to be placed around the park and at each ticket booth. All attractions will have hand sanitizer placed at each location. Cleaning teams will assist in additional cleaning above and beyond our normal routines of cleaning and disinfecting ticket booths, rides and attractions.

COVID-19 GUEST RESPONSIBILITY

1. If you or any member of your party or family is not feeling well, don't visit. Plan to come when everyone is well.
2. Currently, government health organizations are recommending people 65 years and older, those who live in a nursing homes or long-term care facilities, and people with underlying medical conditions (particularly if not well controlled) should either remain home or keep their distance from others. Underlying medical conditions include chronic lung disease or moderate to severe asthma, serious heart conditions, immunocompromised, severe obesity (body mass index [BMI] of 40 or higher), diabetes, chronic kidney disease undergoing dialysis, and liver disease.
3. Please wear a mask/ face covering throughout your visit if you can safely do so. This is for your own protection and for the protection of other guests and employees in the attraction. Employees will also be wearing masks/ face coverings. Masks/ face coverings can be purchased from various sources or homemade as long as they cover your nose and mouth. Some masks/ face coverings may not be permitted on some attractions if they cannot be properly secured based on the dynamics of the attraction.
4. Wash your hands frequently and practice good hygiene while visiting an attraction: a. Wash hands frequently with soap and water for at least 20 seconds throughout your visit. Use hand sanitizer as an alternative. (Wash them after coughing or sneezing, before eating, after toilet use, and when hands are visibly dirty.) b. When coughing or sneezing, cover your mouth and nose with a flexed elbow or tissue. Throw tissue into a trash receptacle after use.
5. At some attractions, you may be asked to apply hand sanitizer before, during, and/or after the experience.
6. We have enhanced our already-stringent cleaning protocols considering the COVID-19 pandemic. We apologize if you experience any delays or inconvenience as a result of these procedures.
7. Follow social/physical distancing guidelines carefully, maintaining 6 feet (2 meters) of space from others. Family members and others (a "family unit") who live in the same household can be closer together. All others should strictly adhere to the physical distancing guidelines. This will apply throughout the attraction including on rides in queue lines, in exhibits, in food and beverage facilities, in show venues and theaters, and in restrooms.
8. To facilitate adherence to physical distancing guidelines, attractions may reduce capacity or close some attractions. Please be patient and understanding with these necessary operational changes.
9. If you feel ill once you are at the attraction go to Security or let an employee know. You and your party may be asked to move to a special area within a facility for further assessment.
